Immediate Hire: **TRAINEE / HELPER for Installation Department**

IMMEDIATE HIRE FOR THE RIGHT PERSON

PAID ON THE JOB TRAINING

compensation: \$18 - \$20

Start your new career with SAS Security Alarm Service. We are looking to hire a trainee/helper right away for our Installation Department. Must be career minded, mechanically inclined and willing to learn a new trade. Drug testing and polygraph required for all potential new hires. Please send your resume to kerri@sasfiretx.com.

Candidates should first provide resume electronically. Should we decide your skill sets will be a good fit for this position, we will schedule an interview.

Must be responsible, reliable, and a trust worthy addition to our Service and Installation Department. We will train the right person to install Security Access Control, Analog and IP, Camera System, and Fire Alarm System- Is this you?

We design, install, service, repair and inspect Fire Alarms, Security Alarms, Access Control and CCTV Systems for commercial and industrial properties - large and small, in the Dallas Fort Worth Metroplex.

Job Requirements:

- Valid Driver's license and Reliable Transportation
- Clean Record
- Good People Skills
- Physically able to climb ladders and lift up to 40lbs
- Must be able to pass a Drug Test and Criminal Background Check
- Maintain safe and secure work and driving habits

What we offer:

- * Vacation and Paid Holidays
- * 401K
- * Health Benefits (Medical, Dental, Vision)
- * Steady employment with a company who has been in the DFW Metroplex for over 40 years
- * Company Van for use while on job
- * Company Cell Phone
- * Major tools will be furnished
